PROMOTERS REPORT

GOOD EVENING, EVERYONE

On behalf of the Bridgewater Speedway Association Incorporated, we welcome you here this evening. Tonight we feature Super Sedans, and we make a special welcome to American driver Ray Godsey who comes with a big reputation also N.S.W. champion Carl Jeffreys who is no stranger to Tasmanian tracks.

Our Tasmanian drivers will be out to prove they are as good as any other Australian or American drivers. Godsey is rated one of the best in the world, and it will be with interest to see how the locals compare. Both drivers will again race next Saturday night at Carrick Speedway before returning interstate to complete their Australian tour.

Bridgewater Speedway's biggest promotion for this season will come on January 23 rd. For the first time ever the world of Outlaws Sprint Car Team will come to Tasmania. This has been made possible by the Twin City Speedway Promotions of Carrick and Bridgewater Speedway. Super Sedans from around the state will also race on the same night making it one of the best nights of Speedway you could possibly imagine.

We said at the beginning of this season we would bring you the best and that's exactly what your going to get.

Time is now running short for the special Ansett Speedway trip to the Australian Titles in Victoria on the fifth and sixth of Febuary. Ourselves along with many drivers welcome you along on our trip which leaves friday afternoon the fifth and returns sunday afternoon the seventh. You are required to pay your \$20 deposit before christmas. The full price is only \$165 which pays for your return airfares, accommodation for the two nights and coach transport to and from the track. It's an opportunity you should not miss. For any further enquiries phone Nigel Trayling on 287214. Again we thank you for your patronage and our sponsors who all make Speedway racing possible.

NIGEL TRAYLING & DAVID DANIELS.
